This weekend in 2010 is being organised by the Dutch Porsche Club 928 in cooperation with Pon Porsche Nederland (the Dutch Porsche importer and distributor) and probably a number of other business parties.

Although the programme is not completely fixed yet, it will offer something interesting for all tastes: A puzzle- and/or navigation drive, a sightseeing tour along places of interest like Volendam where you can enjoy typical Dutch treats such as smoked eel and raw herring with onions. Here you can also have a photograph taken of yourself in traditional clothing and on wooden clogs.

In Amsterdam we will enjoy a sightseeing tour by boat through the canals and pay a visit to the Heineken brewery (free beers included !)

Optional visits to the red light district, the posh shopping street PC Hoofstraat or the traditional street market "Albert Cuyp" will allow you to spend some time the way you personally like the best ☺

Of course we will keep some surprises up our sleeves.

The programme starts on Friday afternoon (28.05.2010) with the arrival and registration of the participants at the Van der Valk Hotel in Volendam.

During this weekend we will take care of culinary and musical treats, to entertain both the participants and their passengers.

This event is mainly sponsored by the Porsche Club 928 of the Netherlands to celebrate our 12,5th anniversary. From the contributions of our members we have saved money over the past 5 years to make sure that the participation fee for the whole weekend gives you "value for money"

For 2 nights in the hotel, including 2 breakfasts, 2 lunches and 2 dinners, drinks (partly), admittance to all attractions, bus and boat fares and some souvenirs for all participants, we have set the basic fee at € 298 per person.

If you want to participate, download the application form from our website, fill it in and return a.s.a.p. by e-mail or fax to the addresses shown on the form.

If you want to be kept informed about the latest news with regards to this event, click every now and then to this webpage. We will try to update it regularly, particularly when one or more matters become more definite.

We look forward to welcoming you in the Netherlands !
